Dallas Chapter 13 regular meeting day is the 3rd Thursday of the month from 9:30am -12:00pm. A recorded video from a program presenter will be shown after the business part of the meeting. Participants can then make an arrangement on their own for the workshop. That same evening, at 6:30, the demonstrator will Zoom with us and give a critique of each arrangement. Through December the videos shown will be from the masters’ demonstrations at the North & Central America Region Conference.
